Greetings Chapter 12 members!

Here is a very brief summer recap. Your Chapter 12 had a great golf outing on a beautiful summer day. Thank you to everyone who organized, worked, and attended! Special thanks to Compass Surveying and Wheatland Title Co. (represented by Helen Belgio and Gloria Wagner). I didn't golf, but I enjoyed being there to see everyone having fun. We successfully held three 400 level classes. (Please let us know what courses you want/need and we will work on getting them for you.) We also had our Summer Business and Education meeting at Granite City Restaurant in Naperville and enjoyed two excellent

presentations. Kudos to David Sinclair (Paragon Partners) and Stephanie Muentnich & Lauren Callico (Volkert)!

We are now in the middle of fall activities. The last weekend in September, three of the chapter officers were able to attend an excellent Region 5 Fall Forum in Cleveland, Ohio and we had a little taste of how good the IRWA Education Conference will be when it is held in Cleveland in 2022. COMING SOON TO SPRINGFIELD, IL. We will have the Fall Business & Education Meeting on November 9th at the IDNR building located at 1 Natural Resources Way, Springfield, IL. You do not want to miss this meeting! Smed Bernard (Vice President and soon to be appointed President Elect) is working hard to make this an excellent educational event for you. Your participation in our Business & Education meetings are what makes them a success and worthwhile for all the membership.

Classes/Education: If you are interested in taking any IRWA course, please let Theresa Campbell (tacampbell@getipass.com) know. We would love to see if we could schedule it for January, so please let her know now what you are interested in taking.

IRWA Certification: If you are unsure what courses you need for an IRWA certificate, contact Robin Upchurch (robin.upchurch@hdrinc.com) and she will help you get on track.

While we have had a great year so far, not everyone has been as fortunate as we have. There are many people suffering due to the hurricanes, earthquakes, wildfires, and other tragedies. Please remember to pray for them. Some of us may be able to go help or give to an organization that can go do what we cannot. I personally give to The Salvation Army (www.disaster.salvationarmyusa.org) and Samaritan's Purse (www.samaritanspurse.org). So many people are suffering and they need our prayers and support.

We are blessed to be a blessing,

Bill McIntyre SR/WA
Chapter 12 President

2017 Annual IRWA Golf Outing

The 2017 IRWA Annual Golf Outing was a great success! The weather was perfect and the course was in great shape! Forty-Five golfers participated at this year's event, which was held August 24th at The Elks Country Club in Pontiac, Illinois.

At the awards banquet, first place was awarded to the foursome consisting of Chris Clementi, Matt Schoolfield, Megan Hopkins and Dan Olson with a score of 9 under par. Also, John Ammons of Wheatland Title Guarantee received a Lifetime Achievement award from the chapter.

Once again, we are grateful for the generosity of our Corporate sponsors: Wheatland Title Guarantee, Compass Surveying, Volkert, GSG Consultants, ERM, HDR and all other contributors, supporters and golfers.

See you next year!

IRWA RECERTIFICATION MADE EASY!

The IRWA is happy to announce a new, streamlined process for managing continuing education credits (CEUs) for SR/WA recertification for both the Industry Pathway and previous Generalist Certifications. These credit unit allocations will apply to IRWA Chapter and Region sponsored events and also to non-IRWA courses/seminars/conferences from outside education vendors.

IRWA Chapter and Region sponsored events and non-IRWA courses/seminars/conferences from outside education vendors will no longer need to be submitted to IRWA Headquarters or the Credentialing Committee.

For detailed information, please click on the links below:
